

## “I Love You, Jesus” Jar Craft Instructions

1. Cut out the jar patterns for Cubbies and punch holes at the appropriate locations around the jars.
2. Fit two jar patterns on top of each other so the holes line up. Thread an 18” yarn piece through one of the holes at the top of the jar and secure at one end with a knot.
3. Wrap a piece of tape around the unknotted end of the yarn to make it stiff for lacing.
4. When Cubbies arrive, give them each a jar craft that is ready to lace.
5. After Cubbies are done lacing around the jar, leaders secure the yarn with a knot at the last hole at the top of the jar. The mouth of the jar should remain open.
6. Cubbies can color their jars.

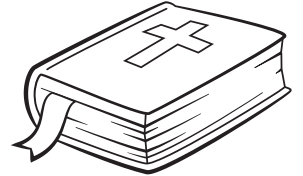

Say, "I Love You, Jesus."

I can obey my parents.

I can memorize His Word.

I can praise Him with singing.

I can tell others about Him.

I can thank Him.
