

I'M THANKFUL FOR

THANKFUL LEPER ACTION RHYME

Ten poor lepers,
(Hold up 10 fingers.)

Sad as sad could be.
(Make sad face.)

Cried out to Jesus,
(Point up.)

“Master, heal me!”
(Place hands to mouth and say this phrase louder.)

Jesus loved the lepers;
(Wrap arms around self.)

He said, “Go see the priest.”
(Point in front of you.)

Jesus healed 10 lepers;
(Hold hands in front of you, palms open, facing up.)

They were happy as could be.
(Make a happy face and clap hands.)

Ten healed lepers;
(Hold up 10 fingers.)

Hurried on the way.
(Stand and run in place. Then sit back down.)

But one healed leper
(Hold up one finger.)

Thanked Jesus that day.
(Hold hands together like you are praying.)

I can thank Jesus
(Hold hands together like you are praying.)

For all He does for me.
(Hold hands out, palms in front of you.)

Thank You, thank You, Jesus,
(Hold hands together like you are praying.)

You are SO GOOD to me!
(Hold hands up in the air, as if you are worshiping God.)
