## **Good Samaritan Stand-up Figures**

## **Assembly instructions**

- 1. Print 2 copies of all stand-up figures on white card stock. (Increase paper size and image size for greater visibility, especially with large groups.)
- 2. Cut out on black lines.
- 3. Fold on dotted lines.
- 4. Tape together, head to head.
- 5. Fold flaps inward. Tape, staple or paper clip together to form a base. (If figures are paper clipped, they can be easily disassembled and saved.)

(Not all figures shown below.)
